

Design and Technology Education

University of Glasgow

Venues

Gilmorehill Campus

Content

The Integrated Masters is a five year programme: years 1 to 4 consist of core technology and education subjects plus school experience. Year 5 consists of two taught courses and a dissertation.

Years 1 and 2

You will study subjects including technology craft, design, graphics, electronics, mechanics and mathematics. In addition, there will be also be a focus on learning theory and teaching.

Years 3 and 4

In years 3 and 4 you will further develop your skills across a range of technology courses by exploring themes such as technology and society, materials and sustainable resources. In year 4, you will select an elective study in either Advanced 3D design or Engineering systems & robotics. You will also undertake a final-year project that will develop your skills in practitioner enquiry.

Year 5

In year 5 you will continue your study of education, research methods and practitioner enquiry in the form of a dissertation.
