

Computing (Advanced entry)

UHI Perth

Venues

Main Campus
Virtual Learning Environment (VLE)

Content

You will learn all the knowledge and skills you need to work in this sector, as well as developing key personal and intellectual qualities necessary for continued professional development.

The course provides a high quality design/development web education that has been designed to meet employers' requirements. When you graduate, you will be well equipped to implement and manage web design and development projects from start to finish.

This computing degree also offers you the flexibility to specialise in software development or technical support, or to follow a generic degree path in computing.
