Computing and IT Practice (Top-Up)

Open University in Scotland

Content

Top-up to an honours degree in two years if you have a foundation degree or equal qualification. This degree will put you in a strong position to develop a career in information technology. You'll be able to engage with challenges such as the specification, design, deployment and management of computing and IT systems. Choose modules to suit your career goals and finish with a project on a topic based on one of the modules.
