

Brickwork: Introduction (NPA)

Borders College

Venues

Tweedbank Campus

Content

National Progression Award (NPA) in Brickwork. This full time introductory course follows a programme that is designed to acquaint the entrant with the practical skills and technical knowledge required for Brickwork, including methods of brick and block walling and decorative brickwork. Students will also have the opportunity to improve their knowledge in Sustainable construction and Core Skills. Work placement is encouraged and will reinforce knowledge and skills obtained during training in college.
