Carpentry and Joinery: Introduction (NPA)

Borders College

Venues

Galashiels/Scottish Borders Campus

Content

National Progression Award (NPA) in Carpentry and Joinery. This full time introductory course is designed to give the entrant the practical skills and technical knowledge required for Carpentry and Joinery.

The programme will include Bench and Manufacturing Skills and Constructional Carpentry Skills. Students will also have the opportunity to improve their knowledge in Sustainable construction and Core skills. Work placement is encouraged and will reinforce knowledge and skills obtained during training in college.
