

Construction Pre-Apprentice (Bricklaying, Joinery and Painting)

New College Lanarkshire

Venues

Motherwell Campus

Content

This course is designed to provide students with a range of skills, industry-recognised qualifications and certificates that will assist them in the pursuit of a construction-related apprenticeship. You will focus on Bricklaying, Joinery and Painting Trades which have been selected to give an insight to various aspects of the construction industry along with the specific qualifications required to work on site.

This course differs from other pre-apprentice courses in that it broadly focuses on three trades rather than a sharper focus on only two.

You will achieve the following qualifications/certificates upon completion:

- Level 1 Certificate in Construction Skills
- Level 1 Diploma in Construction Skills
- IOSH Safety health and environment in construction
- Tested – Construction Skills Certification Scheme (CSCS).

Start Date

August
