### Content

This course gives you a great introduction to hairdressing, developing your creative and practical skills and technical knowledge. You'll train in one of our on-campus commercial training salons, working with real clients, as you learn to cut, colour and style. Due to hairdressing being such a fast-changing industry, our aim is always to ensure that your course develops the current skills and knowledge required for positive progression, therefore some of what you study on the course may change.

Subjects include: Shampoo and condition; Ladies haircutting; Styling and blow drying; Colouring; Setting and winding; Long hair.
