Graphic Design and Illustration (Level 6)

Ayrshire College

Venues

Ayr Campus

Content

This course will give you a great foundation in graphic design and related areas, as well as the opportunity to build a portfolio for progression to a higher level of study.

Content includes:

Graphic design - creating logos and brands, advertising and packaging; Illustration - learning different techniques and media and looking specifically at children's book illustration; Photography and digital imaging - learning basic camera skills, composition, enhancing and manipulating images, and a project such as creating a movie poster; Animation - creating and animating characters through stop motion
life drawing - producing studies of parts of the human figure, and drawings of live models; Exploratory media - trying media and materials you might not have handled before; Art and design software, developing skills in Illustrator, InDesign and Photoshop.
