

## Dance Artists

Glasgow Clyde College

### Venues

Anniesland Campus

### Content

If you successfully complete the NQ Dance course, this HND will put what you've learned centre stage. You'll strengthen your existing practical dance skills to a high level, and develop your knowledge of performance, teaching and choreography. You'll also cover theoretical subjects, like the history of dance, body conditioning and anatomy, learning how to avoid injury as you work towards a professional career in dance.

Subjects include:

Anatomy and Injury Prevention for Dancers; Body Conditioning; Advanced Choreographic Skills; Classical Ballet; Contact Improvisation; Contemporary Dance; Contextual Studies; Dance History; Dance: Performance and Production; ISTD Examinations Syllabi; Jazz/Tap Dance; Teaching Skills; Work Placement; Sound Editing for Choreography.

### Start Date

August
