Glasgow Kelvin College

## Venues

Springburn Campus

## Content

Photography is as much about the art of storytelling as it is about the creation of images and on this HND Photography course, your creativity will grow to truly inspire your work.

You will develop your photographic skills to a professional level on this practice-based programme while building a portfolio that will help you launch a photographic career. You will get experience of exhibiting your work and you will take part in industry projects.

A range of units are delivered throughout the course which include:

Advanced Image Editing; Advertising; Alternative Processing; Architecture; Corporate; Creative Industries; Documentary; Exhibition; Fashion; Image Editing; Moving Image; Portraiture; Studio Still Life; Stock and Photojournalism.

The inclusion of the Graded Unit offers students the opportunity to explore their own photographic interests and style.
