

## Aircraft Engineering (subject to approval)

Perth College UHI

### Venues

Main Campus

### Content

The BEng (Hons) Aircraft Engineering course is an exciting degree that will equip you with an in-depth engineering knowledge across a broad range of modern aeronautical technologies.

If you have decided on an exhilarating career as an aircraft engineer, this course will provide the knowledge and skills you need to analyse complex aircraft engineering situations and solve aeronautical engineering problems.

The degree is currently going through a re-accreditation process with the Royal Aeronautical Society.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

BEng Hons

### UCAS Code

H414

### Course Length

4 years

### Department

Science, Technology, Engineering and Maths (STEM)

### Entry Requirements

3 Highers at BBC including Maths at B plus English and Physics at National 5; or Foundation Apprenticeship Engineering plus Higher Maths.

Advanced entry to year 2 may be possible with 3 Advanced Highers at BBC including Maths and Physics plus English at National 5.

You will also undertake a period of preparatory tuition which may take the form of a pre-course summer school, or run alongside your year 2 studies.

## SCQF Level

10

## Progression Routes

Postgraduate course

## Address

Crieff Road  
Perth  
PH1 2NX
