

## Sound Production

North Highland College UHI

### Venues

Alness Campus

### Content

If you're interested in sound production and engineering and would like to influence the music and sounds we listen to on a daily basis, the HNC Sound Production will give you the basic qualifications required to follow this path.

You could forge a career in studio recording and production; live sound and design; and multimedia application, including digital media, gaming and web sounds.

You will be prepared for all sound production environments, including recording techniques, production methods, live sound, broadcast audio and audio for multimedia.

### Start Date

September

### Qualification

HNC

### Study Method

Part time (day)

### Course Length

2 years

### Department

Creative and Cultural Industries

### Entry Requirements

1 Higher at C or above, preferably including English, Maths, Music or Physics. NC Sound Production or NC Music. Interview.

### SCQF Level

7

### Progression Routes

You can progress to the BSc (Hons) Audio Engineering course at Perth College UHI
