Visual Communication (Graphic Design with Moving Image)

Dumfries and Galloway College

Venues

Dumfries Campus

Content

The HNC in Graphic Design with Moving Image combines the development of innovative and creative thinking with technological skill. Through use of both digital and traditional media you can develop your skills towards exciting careers.

This course encourages you to further develop your creative and analytical thinking alongside higher level key skills required for progression to studies at and working in the graphic design, moving image and illustration sectors.

You will learn and develop essential skills through both experimental and commercial practical projects, supported by theoretical studies.
