

## Advanced Certificate: Sound Production

Fife College

### Venues

Glenrothes (Stenton) Campus

### Content

This course prepares students for careers in Sound Production/Audio Production across various industries like music, film, TV, radio, and gaming. It provides hands-on training with access to professional recording studios and specialised classrooms, fostering experimentation and skill development within the Centre of Excellence: Media Production.

From inputs to outputs, you'll learn how to get the best results using our amazing equipment to record, edit and deliver creative projects. You'll learn how to use Digital Audio Workstations including Ableton and Pro-Tools.
