Fife College

Venues

Dunfermline (Halbeath) Campus

Content

This is a highly practical course where your creative photographic techniques will develop along with your technical and practical skillsets. Working in our dedicated photography studios and on location, you will acquire skills that are essential for professional/commercial success.

Working on your own and with others on a variety of challenging photography briefs will prepare you equally well for employment or self-employment. This course also prepares you for progression to a degree at university. We will support you to become confident in how to manage your time, resources and photographic workflow and encourage you to explore a wide range of photographic techniques including darkroom/wet process using film and paper.

You will study:

Exhibition; Photojournalism; Advertising; Graded Unit 2; Alternative Processes; StockSocial; Business; Creative Industries; Advanced Image Editing; Landscape; Environmental.
