

Art and Design

Dumfries and Galloway College

Venues

Dumfries Campus

Content

The programme has a central focus of building a strong portfolio of creative art and design materials. This approach will consist of a full range of creative subjects in order to encourage experimentation, knowledge and skills, as well as an impressive portfolio.

By the end of the course of study, you will have had opportunities to refine a broad range of Art and Design skills in two and/or three dimensional areas, demonstrating a thorough grounding in research, analysis and concept development using a range of media and techniques and processes which may include: observational/developmental drawing, painting, printmaking, ceramics, sculpture, public art, mixed media and contextual studies.
