Animal Care (Level 6)

Scotland`s Rural College (SRUC)

Venues

Aberdeen Campus
Barony Campus
Oatridge Campus

Content

This course offers a theoretical foundation along with practical experience of caring for animals.

Covering how to feed, handle, and accommodate (mainly) small animals safely, it's a great option for anyone who wants to increase their knowledge of animals as well as learning how to look after them well.

The course also helps to develop core skills like communication and numeracy, which support their classroom learning and experience.

The main themes of the course are: Small Animal Feeding, Safe Working Practices, Anatomy and Physiology of Mammals, Animal Accommodation and Handling, Reptile and Amphibian Care, Ornamental Fish Care.

Start Date

September

Qualification

NC
