

Visual Communication: User Experience Design

Edinburgh College

Venues

Granton Campus

Content

User Experience Design is at the forefront of emerging developments in the creative industries. The course will prepare you to move into both employment and further study in this exciting area of design. This course is a recognised step towards a fulfilling, innovative and successful career as an interaction designer, visual designer, user researcher or user experience specialist in the digital services and digital product design fields.

The course has a strong reputation for producing industry-ready graduates who can think and execute design solutions across digital, product and service formats.
