

Animal Care

Scotland's Rural College (SRUC)

Venues

Aberdeen Campus
Barony Campus
Elmwood Campus
Oatridge Campus

Content

This HND Animal Care course will give you the knowledge and skills you need for supervisory or management roles in the animal care industry, or to set up a small business of your own.

Offering in-depth knowledge about the specialist care and welfare of a wide range of species, the course can take you directly into work, or act as a first step into other animal-related studies.

Content includes: Animals in Society; Work Experience; Applied Companion animal Behaviour; Animal Care Drugs and Medicines; Animal Care Diagnostic Techniques; Getting Started in Business.

Start Date

September

Qualification

HND

Study Method

Full time
