

Business Management

Abertay University

Content

What are the business challenges presented by shifting markets, ever-changing business models and emerging technologies? Which management skills do you need to deliver a high-level financially and sustainable organisational performance?

You will learn how businesses work by choosing this fascinating degree designed to give your career a head start. We teach you how to thrive in today's fast-paced global economy.

By using the university's outstanding industry links, you will find out how businesses really operate through expert guest speakers, projects tackling real life business problems, work placements and offsite visits. By going beyond the classroom and working on extra-curricular activities such as the IBM international Business Challenge, you'll gain a deeper understanding of the complexities of business life.
