

Accounting and Finance with Business Analytics

Abertay University

Content

This degree is designed to give you the knowledge and hands-on experience you need to work in accounting and finance. Get set to think in different ways, unleash your creativity and explore the financial core of the business world.

There is a critical need for people who can understand and analyse data strategically in order to enhance business opportunities. This sits perfectly with accounting and finance, giving you the ability to interpret findings clearly and effectively, and influence decision-making at all levels.
