Virtual Learning Environment (VLE)

Content

This course enables you to develop the knowledge, understanding and skills required to gain employment in childcare at support level.

The course also prepares you for entry to the HNC Childhood Practice course. The course covers the years from birth to 12.

You will also go on placement to help you build links between theory and practice.

The demand for skilled workers means there's never been a better time to find employment as a childcare worker.

Units will include: Developing an Understanding of Working with Children; Holistic Approaches to Child Health; Supporting a Curriculum; Supporting Language and Literacy; Child Development; Developmental Theory; Play; Supporting Children's Behaviour; Placement experience.
