

Childhood and Youth Studies

Open University in Scotland

Content

What makes young people tick? What shapes and influences children's development? How can the adults who work with children support them more effectively? Childhood and youth studies is one of the UK's fastest growing academic disciplines. The OU is a pioneer in this field and over the last 15 years has developed this wide-ranging interdisciplinary degree for anyone working with children and young people or with a general interest in the field.

Start Date

October

Qualification

Degree

Study Method

Distance and Flexible learning

Award Title

BA Hons

Course Length

Flexible

Faculty

General

Department

Education
