

# **Electrical and Electronic Engineering (Advanced entry)**

University of the Highlands and Islands (UHI)

#### **Venues**

UHI Inverness
UHI North, West and Hebrides
UHI Perth
Virtual Learning Environment (VLE)

#### **Content**

Electrical and electronic engineering is a rapidly growing field, with expanding opportunities in practically every product from electrical super-grids to nanoscale bio-electronics. This course, which is highly industry relevant will prepare you for a rewarding career in a vast majority of industries from offshore oil to the National Health Service.

The degree is applications-based using specialist software, laboratory investigations and case studies. It will provide you with the specialist knowledge and broad engineering skills required to find innovative solutions to multiple challenges, ranging from solving the global energy crisis to designing life-saving equipment.

### **Start Date**

September

#### Qualification

Degree

### **Study Method**

Part time (day)

#### **Award Title**

**BEng Hons** 

## **Course Length**

4 - 6 years

### **Department**

Engineering, Construction and Technology

## **Entry Requirements**

HNC or HND Engineering Systems or Electrical or Electronic Engineering.

### **SCQF Level**

10

## **Progression Routes**

«ProgressionRoutes»

## **Combination Courses**

«htmlCombinationCourse»

«htmlCombinationUCASCode»

### **Address**

UHI House Old Perth Road Inverness IV2 3JH
