Virtual Learning Environment (VLE)

Content

If you are interested in the role energy has to play in the future of engineering the BEng (Hons) Energy Engineering degree is for you. The degree has been designed to meet the needs of the industry ensuring you will be highly employable after graduation.

You will explore both conventional energy systems and renewable energy technologies. You will also undertake an engineering project, which will showcase your skills and knowledge in solving an industry-related problem to prospective employers.

Start Date

September and February

Qualification

Degree

Study Method

Part time (day)

Award Title

BEng Hons

Course Length

8 years

Department

Energy, Engineering and Construction

Entry Requirements

3 Highers at BCC including Maths plus English and Engineering Science or Physics at National 5; or Foundation Apprenticeship Engineering plus Higher Maths.

SCQF Level

10

Address

Information Line
Executive Office
12b Ness Walk
Inverness
IV3 5SQ
