

Archaeology and Environmental Studies

Orkney College UHI

Venues

Stromness
Virtual Learning Environment (VLE)

Content

This course gives you the opportunity to focus on the scientific aspects of archaeology while combining your studies with sustainability issues, techniques in field-based evidence and ethics.

The Highlands and Islands of Scotland offer some of the best nature and heritage conservation sites in the UK and the residential field modules, which form part of your studies, will enable you to experience these while developing your environmental and archaeological skills; skills that will provide opportunities to pursue careers in a wide range of research, policy or interpretation roles with a range of wildlife or heritage groups.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

VF49

Course Length

4 years

Department

Science and Environment

Entry Requirements
