Our internationally recognised MSc Real Estate is designed to align your skills to the educational requirements of the industry's professional bodies. Global relevance and employability are at the core of our curriculum design. The programme will enable you to understand the operation of real estate markets and develop a deep understanding of the techniques applied in them. You will gain the key skills necessary to embark on a wide range of careers in the global real estate industry.

This Masters programme is especially suitable if you have a non-real estate related degree and desire to develop skills and knowledge in the real estate sector. The MSc will lead to exciting employment opportunities across the industry.

You can exit at the end of 9 months with PgDip Real Estate.
