

Mechanical Engineering

Inverness College UHI

Venues

Inverness New Campus

Content

Studying this course will give you the foundation training across a number of mechanical engineering processes. A qualification at this level may lead to employment within the engineering sector or further training on our NC Engineering Practice Level 5.

By the end of the course you will develop skills and understanding in mechanical fitting, machining and maintenance subjects along with an understanding of how manufacture and maintenance engineering integrate with engineering systems.

Start Date

August

Qualification

SVQ

Study Method

Full time

Award Title

at SCQF Level 5

Course Length

1 year

Department

Engineering and Construction

Entry Requirements

No formal entry requirements. Interview.

SCQF Level

5

Progression Routes

NC Engineering Practice or HNC Engineering Systems

Address

1 Inverness Campus
Inverness
Highland
IV2 5NA
