

Performing Engineering Operations - Electrical

North East Scotland College

Venues

Fraserburgh Campus

Content

This course allows candidates to learn about safe working and to demonstrate competence in electrical wiring and electronic circuits. It will prepare you for entry into the engineering or manufacturing sectors, allowing progression between education and employment.

You will work mainly in electrical engineering workshops using appropriate tools and equipment to carry out electrical wiring operations and assembling electronic circuits whilst adhering to health and safety regulations.

Start Date

August

Qualification

SVQ

Study Method

Full time

Award Title

at SCQF Level 4

Course Length

1 year

Department

Engineering

Entry Requirements

National 3 English and Maths.

SCQF Level

4
