

Renewable Energy Systems (PDA)

Lews Castle College UHI

Venues

Lews Castle College Campus
Virtual Learning Environment (VLE)

Content

The award is made up of 6 credits selected from a number of specialist renewable energy units. This Professional Development Award (PDA) in Renewable Energy Systems has been developed in partnership with the energy industry to give you the skills and expertise to contribute to the burgeoning renewable energies sector.

You will study online with support from expert staff at Lews Castle College UHI on the Isle of Lewis, one of the key players in the development of renewable energy systems in Scotland.

Start Date

September, January

Qualification

Other

Study Method
