Gardyne Campus

Content

This course is ideal for those wishing to pursue a professional photography career. You will learn and develop skills in our photography studios alongside our experienced, supportive, friendly staff. Our studios are well-equipped with lighting and photographic equipment, allowing you to explore your creativity and develop your portfolio. Our course is highly regarded across the sector and is ideally placed to help you progress to university.

Throughout the course, you will work on live projects and have the opportunity to take up freelance projects. The course also focuses on employment opportunities and preparation for freelance careers, developing your independence and organisation skills.
