

Introduction to Tutoring ESOL (ITESOL) (PDA)

Dundee and Angus College

Venues

Gardyne Campus

Content

The course is designed to provide those who are new to ESOL with the basic necessary skills and knowledge to deliver ESOL in a supported context. As well as introducing key terminology, it will provide participants with opportunities to explore the nature of language learning from a learner's perspective.

Unit topics include: factors affecting learning; skills, lexis, grammar and phonology; language selection; managing the learning environment; lesson planning and task selection; reflective practice.
