

## Social Anthropology

University of St Andrews

### Content

The MRes in Social Anthropology provides a firm foundation in the methods and methodologies of social anthropology and the human sciences, to serve as a basis for knowledgeable and skilled research in Social Anthropology.

The programme provides a general introduction to social anthropology at the postgraduate level, which includes enhancing existing anthropological knowledge and developing knowledge in those coming to anthropology for the first time. The MRes includes various social science components, research and methodology training, and core social anthropology teaching.
