

Computer Science (NextGen)

City of Glasgow College

Venues

City Campus

Content

This innovative programme is designed to equip students with essential skills and knowledge in Computer Science, combining academic depth with practical application. The course prepares you with a strong foundation in core computing principles and modern technologies relevant to the fast-evolving digital world.

Units include:

Computer Foundations; Professional Practice in Computing; Software Development; Database Design Fundamentals; Computer Science; Applied Mathematics for Computing; Artificial Intelligence; Emerging Technologies.

Start Date

August

Qualification

HNC

Study Method

Full time

Course Length

1 year

Department

Computing and Digital Technologies

Entry Requirements

1 relevant Higher plus 2 subjects at National 5, or relevant national qualifications at SCQF Level 6. Entry by interview.

SCQF Level

7

SCQF Points

«SCQFPoints»

Progression Routes

HND Computer Science Year 2; degree level study
