Art and Design

North East Scotland College

Venues

Fraserburgh Campus

Content

You will have opportunities to refine a broad range of art & design skills in 2D and 3D areas, with a thorough grounding in research, analysis and concept development using a range of media and techniques. You will also develop an awareness of the historical, contextual and social issues relevant to art & design practice.

Subjects Include:
A range of drawing techniques; Contextual studies – both contemporary and historical; Investigative research techniques; Professional presentation skills; 2D and 3D media handling skills; Personal and client projects and cultural and social design.
