

## Art and Design

North East Scotland College

### Venues

Fraserburgh Campus

### Content

This course covers a wide range of subjects in both fine art and design disciplines. It introduces students to a broad range of practical skills in both 2 and 3 dimensions, and develops a critical awareness of the historical, contextual and social issues relevant to art and design practice.

What you will experience

You will explore the creative process as a whole, and in doing that you will produce a high quality portfolio over the course of a year. The course is made up of various pieces of project work, and will provide you with your opportunity to develop valuable skills in drawing and computer arts.

### Start Date

August
