

# Photography

City of Glasgow College

## Venues

City Campus

## Content

If you're interested in learning about photography then an NC Photography Course is your perfect starting point. It allows you to develop a wide variety of skills in a range of very hands-on projects, in photographic studios, on location and in a traditional black and white darkroom. You'll have access to new, well-resourced photographic studios and be able to develop your creative ideas using a wide variety of digital and film cameras, lighting equipment and specialist kit under the supervision of experienced and friendly lecturers.

What you'll study:

Composition; Creative camera techniques; Image manipulation; Darkroom; Magnified image; Product; Moving image; and Enterprise.
