Creative Industries: Television

City of Glasgow College

Venues

City Campus

Content

This course is industry recognised by ScreenSkills, the industry-led skills body for the UK's screen-based industries, and carries the ScreenSkills Select quality-mark which indicates courses best suited to prepare students for a career in the screen industries.

This course will develop skills in all areas of television production, including camera, sound, editing, sound dubbing and lighting. An ideal course if you're interested in TV, film, video, broadcast and working in a studio environment.

You'll learn in the college's state-of-the-art television studio developing valuable skills in a multi-camera environment and also learn how to work to the high standards that the production of drama demands.
