

Creative Industries: Professional Writing Skills

City of Glasgow College

Venues

City Campus

Content

This course is for you if you are looking for a career in writing. It will help you to develop the skills you'll need to work in a variety of fields. We cover scripting for TV and radio, short story writing, poetry and journalism, as well as vital freelance skills and industry knowledge.

This stimulating, learner-focused course is delivered by highly professional teaching staff, with significant Communications Industry experience and a proven track record of bringing out the best in their students.

Previous students on this course have had scripts produced, novels and poetry published, or worked professionally in a range of relevant disciplines. Others have gone on to complete the degree and postgraduate courses.
