

Television (in conjunction with Edinburgh Napier University) (3rd year entry)

City of Glasgow College

Venues

City Campus

Content

This course covers broadcast television, film, journalism and new media. Students will be well placed to apply for a limited number of competitive internship placements, including at STV, offering valuable hands-on experience in video, broadcast, editing and online production.

The course balances professional level technical production skills and research practice. We have close links with industry and you will enjoy the expertise of visiting specialists covering all aspects of TV production, alongside teaching staff, who have direct experience of working in the industry.

Run in partnership with the School of Arts and Creative Industries at Edinburgh Napier University, who have a first class reputation for excellence in practice-led screen courses, it is delivered at City of Glasgow College's specialist studios and offers students a degree in Television.

Please apply to Edinburgh Napier University through UCAS, making your preference to study at City of Glasgow College clear in your personal statement.
