

## Architectural Studies

University of Strathclyde

### Content

Studying a BSc Hons degree in Architectural Studies, you'll be taught in a dynamic studio-based environment by professional practitioners and academics. We focus on engagement with local and international communities encouraging you to balance the practical realities of the world with innovative design.

Focus on the design of buildings, towns and cities and the historical and theoretical ideas that inspire them.

Benefit from teaching by our academics and professional architects and engineers.

Students regularly win and exhibit work through international and national competitions including Archiprix Intl., AJ Student Prize, RIAS and A+DS, RSA New Contemporaries.

University of Strathclyde is one of the highest-scoring architecture departments in the UK for graduate career prospects (HESA).

Study abroad for one semester and convert your degree title to Architectural Studies with International Study.
