

Product Design Engineering

University of Strathclyde

Venues

Auchtertyre Campus

Content

Turn new ideas into functioning products through creative design, prototyping and the use of current manufacturing processes.

Year 1: study Engineering Mechanics, Production Engineering and Management, Maths and Design.

Year 2: focus on engineering materials, electrical and electronic engineering, design and manufacturing, production techniques, design and heat and flow.

Year 3: topics include product development, product programming, mechatronics design and applications, engineering design, production techniques; option to study abroad.

Year 4: individual project and industry-based product development team project; advanced design classes.

Start Date

October

Qualification

Degree

Study Method

Full time

Award Title

BEng Hons

UCAS Code

H771

Course Length

4 years

Faculty

Faculty of Engineering

Department

Design, Manufacture and Engineering Management

Entry Requirements

2024 entry requirements

Standard entry:

4 Highers at AAAB including Maths and Engineering Science or Physics plus English at National 5. Higher English recommended. Higher Art and Design, Design and Manufacture or Graphic Communication recommended.

Widening access entry:

4 or 5 Highers at ABBB or BBBBB including Maths and Engineering Science or Physics plus English at National 5. Higher English recommended. Higher Art and Design, Design and Manufacture or Graphic Communication recommended.

SCQF Level

10
