Applied Social Sciences

Robert Gordon University

Content

This degree is built around the core disciplines of psychology and sociology, providing the best possible launching pad for a career in these fascinating areas. You will learn about the society we live in and the relationships people have within that society.

Teaching is underpinned by research and real-world experience, so that you are prepared for a career in your chosen field, and innovative elective modules in the final years allow you to tailor your degree around your own areas of interest; preparing you for a rewarding career in your field of interest.
