

## Geography (Arts and Social Sciences) (Combined)

University of Aberdeen

### Venues

Old Aberdeen Campus

### Content

In Second Year and Third Year, you will begin specialising in the areas of Geography that most interest you or align with your career aspirations. In the Fourth Year, you will pursue an individual piece of geographical research in your Dissertation Project, often field-based, and choose courses that reflect the truly cutting-edge research strengths of the Department of Geography and the Environment in Aberdeen.

In the First Year of your Geography degree, you will study two courses that provide an introduction to Geography in all its diversity. Both courses incorporate a workgroup programme alongside a lecture series covering aspects of Human and Physical Geography.

In Second Year and Third Year, you will begin specialising in the areas of Geography that most interest you or align with your career aspirations. In the Fourth Year, you will pursue an individual piece of geographical research in your Dissertation Project and choose courses that reflect the truly cutting-edge research strengths of Geography and Environment in Aberdeen.
