

Secondary Education (Home Economics) (PGDE)

University of Strathclyde

Content

Home economics in secondary schools encompasses: health & nutrition; practical food techniques; consumer studies; textile technology.

At Strathclyde, the experienced home economics tutors have wide knowledge in all contexts of Home economics and have established a sound reputation amongst the teaching profession for their pro-active approach to teacher education.

You'll spend 18 weeks of the course on placement in a school within Scotland. You'll be continually assessed while there to show you meet the requirements for the Standards for Provisional Registration.
