

Primary Education

University of Strathclyde

Content

All BA students in the faculty will select three subjects in the first year from across the faculty catalogue. Primary Education students can study Education along with two other subjects. Students who decide at the end of their first year that Primary Education is no longer their chosen career will have the opportunity to study for a bachelor's degree in their other first year subjects within the faculty.

Year 2:

Education Studies; Primary Curriculum Studies; Teaching and Learning Principles; Placement Learning; Option classes related to other first year subjects.

Year 3:

Education Studies; Primary Curriculum Studies; Teaching and Learning Principles; Placement Learning; Option module.

Year 4:

Education Studies; Primary Curriculum Studies; Teaching and Learning Principles; Placement Learning; Professional Development Planning; Professional Project (individual research project on an educational issue).
