

## Beauty Therapy (Level 6)

City of Glasgow College

### Venues

City Campus

### Content

The Beauty Industry offers exciting career opportunities, and this course will provide you with the practical skills and detailed theoretical knowledge required for a wide variety of roles, and/or possible entry to higher level courses.

You'll study a selection of the most popular beauty treatments, plus all the essential related subjects, required to achieve this qualification. Amongst other subjects, you will study make-up, body massage, facials and a variety of popular nail treatments such as gel nail extensions. Work experience is also included, giving you a real insight into a variety of activities involved in the beauty industry.

Units include:

Current creative make-up trends; Current trends; Gel nails; Facial treatment packages; Body massage; Depilation; Eye enhancements; Manicure and pedicure; Anatomy and physiology; Face and body electrotherapy: an introduction; Commercial experience; and Manicure and pedicure.
