

Beauty Therapy (Level 6)

City of Glasgow College

Venues

City Campus

Content

The Beauty Industry offers exciting career opportunities, and this course will provide you with the practical skills and detailed theoretical knowledge required for a wide variety of roles, and/or possible entry to higher level courses.

You'll study a selection of the most popular beauty treatments, plus all the essential related subjects, required to achieve this qualification. Amongst other subjects you will study make-up, body massage, facials and a variety of popular nail treatments such as gel nail extensions. Work experience is also included, giving you a real insight into a variety of activities involved in the beauty industry.

The course is delivered by our dedicated lecturing team, who have high-level skills and wide experience within the beauty profession.
