Content

Professional cookery has never been as popular as it is today. This course is an excellent opportunity for students to study and train for a career as a chef with excellent career opportunities and progression routes open to those who successfully achieve the qualification. The NC Level 5 Professional Cookery course gives students an opportunity to prepare, cook and serve a range of sweet and savoury dishes both in our industry standard training kitchens and in our Bistro, which serves breakfast and lunch daily to students and staff.

This course is an excellent introductory qualification for students wishing to pursue a career in the dynamic, exciting world of professional cookery. It is structured to help develop the skills, knowledge and understanding you'll need to secure employment in the Hospitality Industry.
