

Coaching and Developing Sport

City of Glasgow College

Venues

Riverside Campus

Content

This course introduces and develops the skills and knowledge you'll need for a career in sports coaching. The principles of good coaching practice are examined and a wide practical and theoretical knowledge of games and sports is developed (please see further information in the 'what you study' section below).

You'll be taught by sports coaching staff with significant industry experience and a proven track record of bringing out the best in their students.
